

NASA-STD-2100-91

Date: **OCT - 3 2005**

## NOTICE OF CANCELLATION

NASA-STD-2100-91, NASA Software Documentation Standard dated July 29, 1991 is canceled.  
Future acquisitions should cite Chapter 5 of the current version of NASA Procedural Requirements document 7150.2, NASA Software Engineering Requirements.

Copies of NASA Procedural Requirements 7150.2 may be obtained from the NASA Online Directives Information System (NODIS) at <http://nodis3.gsfc.nasa.gov/>

Bryan O'Connor

Chief Safety and Mission Assurance Officer
